

February, 2019 MEMO

Hello all,

Once again, I have had to put some servers on multiple times this month. I appreciate your patience with me. As soon as we are able to recruit and train some new liturgical ministers, I hope to make the coming months a bit easier...until summer... So, that being said, if you know anyone that may be interested in serving, please let Fr. Reilly or Fr. Pease know.

Enjoy the short month of February as we get closer to spring!

Patty
